K.E.S. Music & Video Distribution sells to the best retailers in the country including key national chains and independent stores. We do not sell to every account in the U.S., but use "one stops" and sub-distributors to help make product available to any store that wants to order.

PLEASE NOTE

- **One Sheet must be included.**
- **K.E.S. Music & Video Distribution cannot be responsible for establishing contact between you and booking agents, press contacts, management firms publicist or other artist support professionals.**
- **To effectively sell your music, the staff at K.E.S. must be kept up-to-date on tour plans and artist/label news, and will suggest a variety of marketing options as a way of maximizing sales potential.**
- **Please insure that all information in this package is as accurate and correct before submitting. Spontaneous attempts at changing key information like catalog numbers and list prices immediately after announcing a release will negatively affect the ability of customers to order items. Preferred method of shipping K.E.S. or sub-distributor is UPS Ground. Only use shipping methods which will allow tracking of packages.**

Upon completion, submit your package to:
